Dear Mr. Offutt:

Enclosed you will find an inspection report, which I believe is self explanatory, for Platte County PWSD #4.

The purpose of the inspection was to determine if the system was being satisfactorily operated and maintained in compliance with the code of state regulations and standards set by the Missouri Department of Natural Resources, Water Protection Program.

Steps should be taken to correct any deficiencies noted in this report.

If you have any questions or comments, please feel free to contact Leonard Johnson of this office at (816) 622-7017 or by mail to the Kansas City Regional Office, 500 Northeast Colbern Road, Lee's Summit, Missouri 64086. Thank you for your cooperation.

Sincerely,
